

GENETIC ALLIANCE AUSTRALIA

**Invites you to a free Carers
information session on genetics and support services
GRAFTON 27th July 2018.**

Guest Speaker: Rebecca Macintosh, Genetic Counsellor,
Centre for Clinical Genetics, Randwick, NSW

**Topics for discussion: Genetics, NDIS Planning and fund
management; siblings issues; accessing supports in the
Grafton area - and more!**

**The forum is for families and providers of disability services
in the Grafton area of NSW**

Lunch will be provided.

About Genetic Alliance Australia:

Genetic Alliance (GA) is a peak umbrella group for rare genetic conditions established in 1988. The diagnosis of a genetic condition in a family member, especially a child, places enormous stress on the family and GA provides the peer support and information they need both in the immediate short term and in the on-going years of care.

*To attend this event, please register by filling in the response form and sending to:
Jenny Rollo OAM, Projects Manager
Email: projects@geneticalliance.org.au
